

VANTAGE® PARIS STUDIO

Sometimes, the best spot to shoot is closer than you think

Including
15 kW
of various
lights!

The Vantage Paris studio is 220 m² expandable to 300 m² and provides clients with a well-outfitted, intimate space designed for smaller projects, such as make-up and wardrobe tests, product shots, and still photography. The Vantage Paris rental facility is downstairs and the testing banks located directly next to the studio area allow for quick work flows when prepping equipment. The studio space has been well received.
